Re: WC Docket No. 05-196

Dear Ms. Dortch:

This report is filed for Voice-Ring, Inc. to comply with Subscriber Notification and Acknowledgement Status and Compliance Report.

Detailed description of all actions the provider has taken to specifically advise every subscriber, prominently and in plain language, of the circumstances under which E911 service may not be available through the interconnected VoIP service and/or may be in some way limited by comparison to traditional E911 service. This information should include, but is not limited to, relevant dates and methods of contact with subscribers.

On July 28, 2005, Voice-Ring, Inc. sent e-mails to each of its subscribers explaining how their VoIP E911 service operates and under what conditions that it may not operate. As of July 29, 2005, 100% of the business customers have affirmatively acknowledged the VoIP E911 notice.

Quantification of how many of the provider's subscribers, on a percentage basis, have submitted an affirmative acknowledgement, as of the date of the report, and an estimation of the percentage of subscribers from whom they do not expect to receive an acknowledgement by August 29, 2005.

100% have affirmative acknowledgement and expect 0% to not respond by August 29, 2005.

Detailed description of whether and how the provider has distributed to all subscribers warning stickers or other appropriate labels warning subscribers if E911 service may be limited or not available and instructing the subscriber to place them on and/or near the customer premises equipment used in connection with the interconnected VoIP service. This information should include, but is not limited to, relevant dates and methods of contact with subscribers (i.e. e-mail, U.S. mail).

Warning stickers will be mailed to subscribers address on or before August 19, 2005, with an explanation on how to used them to all subscribers.

A quantification of how many subscribers, on a percentage basis, to whom the provider did not send the advisory described in the first bullet above and/or to whom the provider did not send warning stickers or other appropriate label as identified in the bullet immediately above.

0%.

A detailed description of any and all actions the provider plans on taking towards any of its subscribers that do not affirmatively acknowledge having received and understood the advisory, including, but not limited to, disconnecting the subscriber's VoIP service with the Company no later than August 30, 2005.

All subscribers have responded, therefore no actions are needed.

Detailed description of how the provider is currently maintaining any acknowledgements received from its subscribers.

All acknowledgements are email replies and are kept in the subscriber's file.

The name, title, address, phone number, and e-mail address of the person(s) responsible for the Company's compliance efforts with the VoIP E911 Order.
